Vintage Victorian Corset 1800s w/ Belfit Brassiere Box

Description:

Great item from history! Vintage Victorian Corset from the 1800's! Comes with box but I'm not sure this corset goes with this box as it doesn't look like the illustration on lid. But really neat old box!

The Improved Corsetrim/ An ideal, flexible combination brassiere and adjustable hip confiner - assuring the always-wanted youthful lines. Manufactured by Belfit Brassiere Co., Inc Brooklyn, New York. Victorian Belfit Corset

Linda's Story (eBay ID bienleindesign)

Hi Lynn,

I have been selling on ebay for 7 years. I do eBay off and on between my other projects. During the summer, I am an occasional yard sale shopper as I have spare cash.

This past summer I made a spur-of-the-moment decision to stop at a yard sale just a mile from my home in the Flint, Michigan area. I normally do not carry much money with me, but that day I just happened to have \$30 (that's a lot for me!) Anyways, this yard sale was just stocked with old vintage items for really cheap prices!

I snatched up as many different items as I could. Since I knew I only had \$30 I tried to pick the items I thought would sell the highest. Two items that sold high for me were vintage Victorian Corsets in their

original boxes. The first one sold for \$79.75 (viewed 307 times) and the second one sold for \$32.65 (viewed 335 times). I paid \$4.00 each for these.

I am deaf and enjoy working from home on my ebay business. I meet so many neat people around the world and it gives me equal footing with communication! I sell most anything I come across so my store is just a variety of this and that.
